

Field Trips to Town Hall

Town Hall Children's Theatre now offers a groundbreaking development in children's programming. Because of the uniqueness and intimacy of our theatre we can now provide school groups, scouting groups, home school groups or any other interested group an opportunity to **create their own field trip with the play or production of their choice**, at a date and time convenient for them.

Field trips include a back stage walk thru with a talk back session plus a participation play or full musical production of their choice. Field trips are approximately 1 to 1 1/2 hours in length and bookings are subject to theatre availability.

Price: \$7.00 per person for groups of 50 or more. Teacher/Chaperone tickets are complimentary. (For groups of less than 50 participants the field trip is available for a flat fee of \$250.00)
